Dear Steamboat Grand Homeowners,

I am pleased to announce that Après Ski and First Tracks will be returning this upcoming 2007/2008-ski season.

Après Ski will be offered 3 days a week again this year. It will be held on Tuesday, Thursday, and Saturdays from 3:30-5:30pm in the Hotel Owners Lounge. We will start offering Après Ski the week of December 15, 2007 and conclude on April 5, 2008. The menu for Après Ski will be similar to last year with only a limited amount of food available each day depending on owner occupancy numbers. Beverages will be available for a cost this year as well. We ask that owners please keep the consumption of the food items in the Hotel Owners Lounge. Proper attire should be worn at all times (No bathing suits, bathrobes, or bare feet). Please note that the pool table will be off limits during Après Ski hours.

First Tracks will be offered 3 days a week this year on Sunday, Wednesday, and Fridays. First Tracks will run starting the middle of December thru the middle of March depending on ski conditions. The number of spaces available on First Tracks for the coming year is very limited and is based on owner occupancy numbers. The changes to First Tracks for 2007/2008-ski season are:

- Owners who are scheduled to be staying at the Steamboat Grand can reserve a spot on First Tracks 14 days prior to their chosen date of participation.
- All other requests for First Tracks can be made 72 hours prior to the chosen date of participation.
- Owners will reserve their spots on First Tracks with Owner Services at 970-871-5532 or 970-871-5527.
- Requests for First Tracks will only be accepted during Owner Services normal business hours of 9am to 5pm Mountain Time. Requests will not be accepted outside of the given time frame.
- Owners will be allowed to participate in First Tracks 1 time per week plus one additional guest or family member can participate with the owner.
- If an owner brings a guest on First Tracks the guest will be charged a \$10 fee to participate. A guest is defined as some who is not listed on an deed or an immediate family member (parents and children).

For questions regarding Après Ski or First Tracks feel free to contact Owner Services.

Thank you,
